

Product discontinuation notification (PDN)

Title / short description	Discontinuation of individual protective caps for circular connectors sizes M23, M27, and M40
Affected article category	Connector
Change category	Discontinuation
Change number	IAB230018-0
Reason for PCN/PDN Revision	

Purpose/objective of the change

Discontinuation as the result of a portfolio revision

Detailed description of the change

We always strive to provide you with state-of-the-art products for your application. To this end, for commercial or technical reasons, it is necessary to regularly evaluate the product portfolio and adjust the product lifecycle accordingly. In this context, we regret to inform you that the indicated products will be discontinued. The discontinued protective caps can be replaced with existing items. In order to optimize the fit of the protective caps on different transport routes, caps for circular connectors will in future be offered on a series-specific basis. Therefore, the portfolio will be expanded by a few items. Please refer to the attached Excel document for the respective substitutes.
