Engineering Change Notice – T-55265 Series

This letter is to advise our customers of the addition of a traceability label to the following TFT products. Please kindly confirm the following details.

1. Effected Products

T-55265GD057J-LW-AMN
T-55265GD057J-LW-AKN

2. Background

In order to enhance the traceability of our components and processes we will be increasing the number of labels applied to these products from 2 to 4 (add 2 new labels). The addition of these two new labels does not affect the form, fit or function of the display.

3. Changes

■Current label (2 pcs)

■With additional labels added (4 pcs)

Blue frame : Conventional label

Red frame : Newly added label

4. Change timing

Plan of change timing: January 2024
