After Picture

## Overview

- Change Description: To enhance our global component inventory strategy and expand the availability of our Ultra Lock locking technology, we will be making Changes to the current ERWPAB3002M\* and ERWPAB3004M\* series. These Changes will provide two new options for our customers, catering to their specific needs.
- Product Impact: There will be no impact to the fit, form, or function of our products.
- Part Number Impact: Please refer to the attached impacted part list specific details on the affected series numbers.
- Qualification reports and samples of the new components are available upon request.
