

Date: 16th of January 2024

End of Life notice for Acconeer products XM131

EOL Issue Date: 16th of January 2024

Effective Date: 16th of January 2024

Description of Change

Acconeer AB announces an End of Life (EOL) for the product XM131.

Due to sourcing and supply constraints we are not able to offer any last time buy for these products.

If you have questions about this EOL, please contact either your Acconeer AB sales or customer support representative.

List of products affected by End of Life

Discontinued	Description	Possible Alternative
XM131	Module based on A111 with ARM cortex M0 MCU	XM123

Reason for Change

The reason of this EOL announcement is supply and sourcing constraints in combination with declining demand due to release of newer products with improved performance.

Customer response

Lack of acknowledgement of the PCN within 30 days constitutes acceptance of the change, Ref.

JEDEC-J-STD-046. To request further data or inquire about this notification, please contact either your Acconeer AB sales or customer support representative.

We apologize for any inconvenience that this may cause. If you have any questions, please contact either your Acconeer AB sales or customer support representative.

Sincerely,

Lars Lindell
CEO
Acconeer AB
