Data Sheet Change:

- ☒ Yes ☐ No

Attachment:

- ☐ Yes ☒ No

Description and purpose of change:

With the aim of an extended product applicability, Würth Elektronik will be adding the UL approval stamp and UL code to the marking on several articles of the WE-PPTI product series.

All products with date code 2024-04-16 or later, will be affected by this change.

There will be no change in fit, function, quality or reliability of the product.

Detail of Change:

The marking will be updated to include the UL stamp as shown below. The UL code "CH" will be added to the part number in the marking. Please see the before (in red) and after (in green) images below.

All electrical properties of the parts will remain the same.

Reliability / Qualification Summary:

Product approval is according to the specification criteria and is internally released by the Product Management Department.

The following items are part of the internal release process:

- Visual Appearance (Surface, Burr, Contaminations)
- Mechanical Parameters (as specified in the Data Sheet)
- Electrical Parameters (as specified in the Data Sheet)
- Approval of production line
