End of product life notification

January 10th, 2024

This notification applies to the following products -

VS-C, LWT, MTW, ZWD-PAF and PF-A series

Dear customer / valued partner,

TDK-Lambda has received notices of obsolescence for key components on the VS-C, LWT, MTW, ZWD-PAF and PF-A series. These products have been in production for a large number of years. The LWT was launched 30 years ago in 1994 and the other models 15 to 20 years ago. VS-C series sales have been primarily maintenance orders in the Americas.

We recognize that as a past or current customer of these products, you may require additional units until substitution testing is complete or for service spares. We are offering a last time buy and ship opportunity as detailed in the table below:

End of life announcement	January 10th, 2024
Last order date	December 13th, 2024
Last shipment date	June 28th, 2025

Please understand that these orders would be non-cancellable, non-returnable and cannot be counted towards future stock rotations. The standard warranty period, service and conditions will apply to product sold during this last time buy notice.

Contact our technical support for additional information at 1-800-526-2324 or email tla.powersolutions@tdk.com.

On pages 2 and 3, we suggest the following products as an alternative for your consideration.
