

Product Change Notification

Date: Jan 16, 2023

Subject: Product Change Notification for TDK's Ceramic Capacitors

Dear Distributor Partner,

Thank you for your business and continued support for TDK's ceramic capacitors. This letter is to inform you of the product status changes in the TDK MLCC catalog for two specific groups of part numbers: [1] End Of Life (EOL), [2] Mass Production.

1. End Of Life (EOL)

The products listed in **Table 1** have been revised from **Production** to **End of Life (EOL)** with Last Time Buy dates established below. In most cases EOL addresses the natural decline in market sales/profitability, but may identify a consolidation of the product portfolio as well. Unfortunately, some of the items do not have alternative; however, TDK is committed to working closely with you to minimize any impact this change may have.

2. Mass Production

Due to current customer demand and the global market situation, the part numbers in **Table 2** have been revised from **Not Recommended for New Design (NRND)** to **Production** (or "Active").

The latest status will be viewable on the TDK website: <https://product.tdk.com/info/en/index.html>

Takashi Chiba
