CHANGE NOTIFICATION

XH5B Half-Pitch Connector - Changes to Absorption pad

In an effort to enhance our production process, Omron will change the shape and dimensions of the absorption pad used to facilitate pick and place assembly of the XH5B Series Half-Pitch Connector. The changes are expected to take effect on or before production in July 2024. This modification notice will explain the change of the shape and dimensions of the absorption pads for the XH5B Connector. This change will not alter the technical specifications. Should you have any additional questions, however, please communicate with your local OMRON Sales Professional.
