Change Notification: SOT23 package lead frame change .

To: Valued Customers

From: LUMISSIL MICROSYSTEMS

Affected Product:

IS31BL3212-STLS2-TR;IS31BL3506B-STLS2-TR;IS31BL3508A-STLS2-TR;IS31BL3508B-STLS2-TR;IS31LT3350-V1STLS2-TR;IS31LT3353-STLS4-TR;IS31LT3354-STLS2-TR;SN3350IS05E .

Description of Change:

LUMISSIL's partner JCET-CZ change the SOT-23-3L/5L/6L package Leadframe to 14R with dam bar. The Leadframe supplier is not changed, and the material is not changed either.

Rationale for Change:

The existing packages SOT-23-3L/5L/6L include 6 rows, 12 rows, 14 rows, which is not conducive to the production arrangement and affects the delivery time of products.

Schedule:

Sample Available for Evaluation: please check with sales.

Qualification Data: Available Upon Request.

Proposed Effectivity Date: May 1st ,2024
