**Business Unit:** HCS **PCN/22/015/C+N-US**  
**Product Range:** Industrial Ethernet Cable and Cable Assemblies **Date:** 11/13/2023  
**Title:** IE Cat 7 AWG23 PUR Product Change Page 1/1

## Details of the Product Changes

| 1. Concerned Part Numbers                                                                                                                                                                                                                                                                                                                         |
