Discontinuation Signalmate C091 - 5 and 7pin stereo layout for crimp termination

Dear Sir or Madam,

Effective from today, the 5pin / 7pin stereo layout options will not be available for crimp termination anymore. Several catalogue part of our signalmate® C091 series will be affected.

In case you require crimping for termination please double check the standard 5pin / 7pin arrangement. Otherwise please change to the solder termination part numbers.

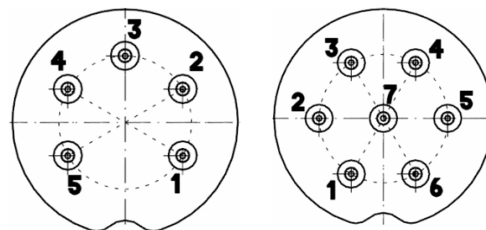

Discontinued crimp layout options:

5 Stereo

7 Stereo

Alternative crimp layout options:

5 Standard

7 Standard

Please find an overview with the affected part numbers and alternatives on the next pages. If you have any question feel free and let us know.

Best regards,

Marco Walser
Product Manager Circular Connectors
