Unmatched Quality, Durability & Comfort

For more than 150 years, professional electricians have recognized Klein Tools as the very best in the industry. Klein Tools is proud to continue that tradition with the introduction of three new tool sets created especially for the apprentice electrician. Each new Klein Tools ProPack tool set contains a premium assortment of Klein tools tailored to meet the needs and preferences of today's electrical apprentice. All three tool sets and all of their contents are made in the USA.
