Transition Tools:

The rest of the ATV212 and S-Flex catalog references in the 380-480 V Altivar portfolio products will remain active, and Schneider Electric will continue commercializing them in the United States.

Please contact our Customer Care Center at 1(888) 778-2733 Option 2, then Option 4 for Drives Tech Support for any technical questions.

Per the attached letter, we will honor the warranty period for these discontinued products by providing credit, rather than replacement product if needed in the future

Please contact your sales representative with any urgent requests for alternative offers to fit your needs.
