TE Connectivity

Product Change Notification: P-24-025762

PCN Date: 19-FEB-24

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:

CAGE ASSEMBLY AND LIGHT PIPE ASSEMBLY, 1X4, OSFP

Description of Changes

Duplication of manufacturing capabilities. The following Part Numbers that are currently manufactured at the Guangdong facility, may also be sourced from Malaysia, Johor facility. The parts produced in the new location will have the letters JH" after the existing date code numbers. The parts that are produced in the existing location will have the letters "GD" after the existing date code numbers. Apart from this change, the products manufactured at both locations will be the same and thus retain the current same part number.

Reason for Changes:

Dear Customer, In line with TE Connectivity's dedication to providing excellent customer service and delivery, we are updating our business continuity plans to include geo-diverse dual-sourcing for select parts. The dual-sourcing is executed by following a strict procedure, which guarantees no unwarranted influence on the quality, ability to supply, and form-fit-function of the concerned products. The new manufacturing location is under a certified quality management system according to the standard industry requirements. Based on our specifications, an internal release will be executed before any parts are delivered, which guarantees the product performance.
