Description of Change: Introduction of an alternative grease

Reason for Change: Due to discontinuation of grease material, we have secured grease provision thanks to a new grease source.

Grease is used to reduce wear between wiper and collector/resistive track and for electrical noise reduction.

We have qualified this alternative grease.

Expected Influence on Quality/Reliability/Performance: No influence on Quality/Reliability/Performance, according to qualification results

Part Numbers/Series/Families Affected: T7YA*, T7YB*, T7X*, P8P*, P8S*

Vishay Brand(S): Vishay Sfernice

Time Schedule:

Start Shipment Date: Wed Aug 21, 2024

Sample Availability: W12 2024

Product Identification: Datecode 2434

Qualification Data: Available on request

This PCN is considered approved, without further notification, unless we receive specific customer concerns before Fri Mar 22, 2024 or as specified by contract.
