

Cat6 Shielded (SSTP) Ethernet  
Network Booted Cable, Blue, 150ft.

RoHS  
Compliant

Stock No.: CAT6-1503-SSTP

## FEATURES

- Strain Relief
- SSTP
- 26 AWG
- Stranded Copper

## Product Description

Prepared double shielded Twisted Pair cable with screened RJ-45 connectors on both ends. Durable due to moulded kink protection. Flexible cable, suitable for narrow bending. Plugs with gold plated contacts. Contact settings 1:1, in accordance with the EIA/TIA 568 standard. Construction: 4-pair stranded wire. Complete braid shielding. Pairs shielded with aluminum clad polyester foil.

## General Specifications

| Attribute                           | Value                          |
|-------------------------------------|--------------------------------|
| Terminated/Unterminated             | Terminated                     |
| Connector Type                      | RJ45                           |
| Cable Type                          | Ethernet                       |
| Length                              | 45.72m                         |
| Gauge                               | 26 AWG                         |
| Conductor                           | Bare Copper                    |
| Shield/Unshielded                   | Shielded                       |
| Voltage Rating                      | 30V                            |
| 1.0 - 550MHz Impedance ( $\Omega$ ) | 100 $\pm$ 15                   |
| Maximum Operating Frequency         | 550MHz                         |
| Operating & Storage Temp.           | -40°C to 60°C   -40°F to 140°F |
| Installation Temp.                  | -20°C to 60°C   -4°F to 140°F  |
| Jacket Color                        | Blue                           |
