Type of Change

Minor

Key Change

Packaging

Scope

In an effort to reduce plastic waste and improve packaging, FINDER reviewed type and style of packaging for the 34 Series relays. In the past a plastic tube was used for 20 units. The factory has now moved ahead with a new style cardboard 'tube' box housing the same 20 pc quantity.

Product Change Notification

New packaging

34.51 and 34.81

Timing

Already in process. Please expect mixed packaging material over the next few months.
