## Product change notification

Dear valued customer/sales team,

We would like to inform you that some versions of our MeVis-C lens series are discontinued without substitution.

The following articles are affected by this change:

0020-005-000-40 - MeVis-C 1.8/12  
0020-004-000-40 - MeVis-C 1.6/16  
0020-002-000-45 - MeVis-C 1.6/25 Traffic  
0020-007-000-30 - MeVis-CF 1.6/25 Traffic

Customers are given the opportunity for a last time buy of these lenses as long as stock is available.

For larger quantities (MOQ  $\geq$  20 pcs.) Excelitas will still accept orders based on individual agreements. Please get in contact with our local Excelitas sales person.

Excelitas apologizes for any inconvenience this change may cause to you and will certainly support you in the best possible way to find an alternative solution in the broad portfolio of LINOS Machine Vision Lenses. For more information, please contact your Excelitas sales person.
