

Product Change Notification

TE Connectivity

Product Change Notification: PCN-24-201234

PCN Date: 06-MAR-24

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

Product Description: (Text limited to 120 characters)

FASTON 250 INS POD NYLON

General Description of Changes

Please be aware of an alternative material is added on the listed part numbers to avoid global material shortage and interruptions in supply and ensuring lead time and delivery timely. New added material has been fully qualified which follows a strict procedure, which guarantees quality, ability to supply, and no changes to product performance. Product color could have slight difference between current and new added material, there is no impact on product performance.

Reason for Changes:

Change made to the material so as to avoid global material shortage and interruptions in supply and ensuring lead time and delivery timely.
