Replacement Type Definition

DIRECT REPLACEMENT

Exact same part in a different package or color. It has any other update that does not affect the product itself.

COMPATIBLE

The replacement part is different from the original part, but allows it to be used for some applications. It is not the same part. The difference could be in color, size, material, or performance (e.g., CAT5 to CAT6), etc.

COMPLEX

The replacement part(s) are too different from the original part to assume it can easily replace the original part, however Panduit can provide a replacement which may be used in some applications. Customer Experience team should be contacted.

NO REPLACEMENT

No replacement product is

package size, or
n't change the

nt in a way that
applications, but
erence can be
