Notification of Product Replacement Cyclops 4K Digital Microscope

Discontinued Product	Replacement Product
26700-423 Cyclops 3.0 Digital Microscope	26700-424 Cyclops 4K Digital Microscope

We are pleased to announce the latest edition to our Cyclops line of digital microscopes, the **Cyclops 4K item # 26700-424**. The Cyclops 4K Digital Microscope displays live images at 4K Ultra HD resolution. This model features 2 viewing modes - HDMI or PC mode - allowing users to operate the microscope from their HDMI monitor or their computer.

The Cyclops 4K is replacing the Cyclops 3.0 (item # 26700-423). Our stock of Cyclops 3.0 Digital Microscopes has been sold out and we are no longer taking new orders.

We expect the Cyclops 4K Digital Microscopes to be available for purchase by early-mid April, and we will send out a notification when stock arrives.
