Due to ongoing manufacturing difficulties, we regret to inform you that Advanced Cable Ties will be discontinuing the MG-1400 Cable Tie Removal Tool effective immediately. We will no longer be accepting new purchase orders for this product. However, we will do our best to service existing open orders as tools become available. We apologize for any inconvenience this may cause and thank you for your understanding.

We are excited to offer the MG-1300 Cable Tie Removal Tool, a patented alternative to the MG-1400 tool. This innovative tool is designed to remove cable ties with ease and precision and is still

available for sale. If you are interested in learning more about the MG-1300, please contact ACT Customer Service for more information. We believe that the MG-1300 is the perfect solution for all your cable tie removal needs, and we are confident that you will be satisfied with its performance.

At ACT, we are proud to manufacture high quality products in the USA and to support the increasing demand through our multi-channel distributor network.
