Change Notice

[P/N 9000440 and 9001169]

Dear Valued Customer,

Thank you very much for your great and continuous support for business with KYOCERA AVX. This is the official notification that we are going to change the nomenclature of the PNs 9000440 and 9001169. Please review this and indicate your feedback for this Notice in writing by the Feedback Due date. Your understanding and support are highly appreciated.

Date of change: 02/21/2024

Change: We would like to inform you that the new nomenclature of the antennas 9000440 and 9001169 will allow different cable lengths, following the standard nomenclature of FPC + cable families.

- 9000440F0-AA12LXXXX (where XXXX is the cable length in mm)
- 9001169F0-AA10LXXXX (where XXXX is the cable length in mm)

The PN 9000440 will be EOL and replace by the 9000440F0 with 150mm cable length and 9001169 will be EOL and replaced by 9001169F0 with 100mm cable length. Please refer to the table below:

New PN	Old PN
9000440F0-AA12L0150	9000440
9001169F0-AA10L0100	9001169

This change is applicable to all new orders. The existing inventory of 9000440 and 9001169 PNs can be used without problems.

Contact:

Should you have any questions or concerns, please contact Jessica Dai at +1 (858) 550-6044 or email at jessica.dai@kyocera-avx.com

Thank you.
