Digilent Distributors

1. Description

Digilent has decided to EOL the 4 below products due to component availability issues.

EOL Product List	
Part Number	Description
410-333	PmodDPG1 Product Kit
410-386	PmodAQS Product Kit
6002-410-032	WBX USRP Daughterboard
6002-410-034	CBX 1200 USRP Daughterboard

The PmodDPG1 Product Kit, PmodAQS Product Kit, and the WBX USRP Daughterboard have zero remaining inventory and have been removed from the website and retired. The CBX 1200 USRP Daughterboard will remain active on our website (subject to availability) until the remaining units are sold.

2. FAQs

1. What is the communication to customers?
We are discontinuing the 4 above products due to component availability issues.
2. Is there a recommended product replacement for these devices?
Please see below:
