Discontinuation Details:	<p>To our valued customers:</p> <p>We are reaching out to inform you of the discontinuation of the ECP-U series. This series has been in production since 1998, utilizing a special laminated film forming machine. However, maintenance of this machine is becoming increasingly challenging due to deterioration, and considering the sales volume, new investment is also proving difficult. In this situation, the supply risk is increasing year by year, leading us to the decision to discontinue this series. We will do our best to accommodate all last-time buys for these parts, but due to limited availability, we may be unable to fulfill every request. Thank you for your understanding, and we appreciate your continued business.</p>
