

Product change notification (PCN)

Title / short description	Product improvement
Affected article category	Measurement and control technology
Change category	FIT, Form and appearance
Change number	CCK230106-01
Reason for PCN/PDN Revision	

Purpose/objective of the change

Removing the packing slip from the product packaging

Detailed description of the change

Currently, paper-form packing slips are included with the products. In future, the packing slips will only be provided in digital form in the web shop. The packing slip can be found in the download area of the item using the QR code printed on the packaging label or by entering the item number in the web shop. In addition, the "Electrically skilled person required" and "Please read documentation" symbols are being added to the packaging label. Existing approvals are still valid. No measures are required on the customer side.
