

Product Change Notification

TE Connectivity

Product Change Notification: P-24-026124

PCN Date: 30-APR-24

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:
369 Shielded Panel & PCB Mounting Receptacle Connectors

Description of Changes
Drafting error correction on customer drawings D612847-ENV, D612848-ENV and D612849-ENV.

Reason for Changes:	
Document clarification.The 'dielectric withstand voltage' (DWV) / 'voltage proof' performance has been corrected to 1300VAC as per the product specification 108-160253. 108-160253 is the governing document for the part numbers listed in this notification, and as such, the connectors meet the requirements stated therein. Please note that this is not a notification of performance / design change, it is simply a notification that a drafting error on the customer drawings has been corrected.	
Estimated Dates:	
Last Order Date (Obsolete Parts Only):	First Date To Ship (Changed Parts Only):
Last Ship Date (Obsolete Parts Only):	Last Date for Mixed Shipments: (Changed Parts Only):
	No Mixed Shipments

Part Number(s) being Modified:
