Product Change Notice (PCN)

April 30th, 2024

LFPCN: ECR101230
MVSR-20 Series Automation

To whom it may concern,

Littelfuse would like to notify you that we will have an automated line of the MVSR-20 Series product in our Littelfuse Philippines plant (PH1) facility effective on **July 30, 2024**. All affected MVSR-20 materials are listed in the below table. Full qualification report and/or samples will be available upon request.

Form, fit, function changes: None

Part number changes: None

Distinction of products: Packaging and Label, please refer to below.

Packaging	
Current Packaging (MA3 Plant)	New Packaging (PH1 Plant)
 <p>Using the Hamlin Logo (L=4.970 ± .040, W = 2.280 ± 0.020, H = 2.095 ± .030 inch)</p>	 <p>Using Littelfuse Logo (L=4.970 ± .040, W = 2.280 ± 0.020, H = 2.095 ± .030 inch)</p>

This automated line will take effect or start shipping from **July 30, 2024**. Orders of the affected part numbers coming out of Matamoros plant will be accepted until **May 30, 2024**. During this transition period from **July 30, 2024** customers are expected to receive both packaging from MA3 and PH1 plant until current product inventory in Littelfuse warehouse and distribution channels are depleted. MA3 MVSR-20 last production date will be on **Nov 30, 2024**, after then all orders will manufacture and ship through Philippines (PH1) plant.

This notification is for your information and acknowledgement. If you require specific data or product samples to certify this change, please contact Littelfuse **within 30days** from the notification date. If we do not hear from you then we will expect that this change has been accepted and no further action is required. Thank you.
