UNABLE TO SERVICE

March 4, 2024

Dear Valued Customer,

The Alpha Wire portfolio requires regular review to ensure our products continue to offer the most updated features and benefits, in addition to the highest quality. This letter serves as your formal notification **that Alpha Wire is currently unable to service current and future orders for the FIT 400 & FIT 500 series due to supply chain issues.** We are currently looking into alternate sources and will advise as soon as possible, and our cross-reference team can work with you to investigate potential alternatives.

A detailed list of all effected part numbers can be found at the end of this letter.

If you have any questions or require assistance selecting alternative products, please contact your Alpha Wire sales representative or channel partner.

Sincerely,

A handwritten signature in grey ink that reads 'Julie Harnishfeger'.

Julie Harnishfeger
Associate Product Manager
Belden & Alpha Wire
