Product Change Notice

TTM P/N: BD1631J50100AHF

TTM PCN # 308736

Notice of Specification Change(s):

TTM RF&S is announcing an update in power handling capability of the BD1631J50100AHF. The table below outlines current and updated specifications for power handling at 85°C and 105°C.

Temperature	Current Power Handling	Updated Power Handling
°C	Watts	Watts
85	0.8	2.0
105	0.5	1.3

There is no change in the form or fit of this part.

Change Timeline:

The new specification will go into effect **IMMEDIATELY** and applies to components already sourced. If you have any questions or need further information, please call me at 1-315-233-5672 or send e-mail to Brian.Dallos@ttm.com

Sincerely,
Brian Dallos
