

## Product change notification (PCN)

<b>Title / short description</b>	Change to the parts list for QPD H distributors
<b>Affected article category</b>	Connector
<b>Change category</b>	Form and appearance
<b>Change number</b>	CBF240007-01
<b>Reason for PCN/PDN Revision</b>	

### Purpose/objective of the change

Due to our sustainable product portfolio alignment, we are adapting the parts list for QPD H distributors for the cross-sections of 1.5 mm<sup>2</sup>, 2.5 mm<sup>2</sup>, and 6 mm<sup>2</sup>.

### Detailed description of the change

As part of our sustainable product portfolio alignment, the red sealing plugs will be omitted from the parts list for QPD H distributors in the future.

In the standard application, all four connections of the H distributor are used. This means that the sealing plug is not required in the standard application and that resources are wasted unnecessarily.

If the sealing plug is still required, it can be ordered separately as an accessory.

### Identifying characteristics

Increase to the production batch (V/C)

<b>Start of Production (SOP)</b>	-	<b>Last Time Delivery (LTD)</b>	-
<b>Effective date (EOP)</b>	2024-12-01	<b>End of Service (EOSR)</b>	-
<b>End of Sales (EOS)</b>	-		

### Short-term change (< 6 months) or discontinuation (< 12 months), due to:
