

Date: 27th of May 2024

End of Life notice for Acconeer products XR112, XC112, XE132 and XE124

EOL Issue Date: 27th of May 2024

Effective Date: 1st of July 2024

Last Time Buy: 31st of December 2024

Description of Change

Acconeer announces End of Life (EOL) for the products XR112, XC112, XE132 and XE124.

List of products affected by End of Life

Discontinued part no	Description	Possible Alternative
XR112	A111 sensor board for XC112	XE121
XC112	Connector board for XR112	XC120
XE132	Evaluation board with XM132	XE125
XE124	Evaluation board with XM124	XE125

Reason for Change

The reason of this EOL announcement is declining demand due to release of newer product generation with improved performance and power consumption.

Customer response

Lack of acknowledgement of the EOL notice within 30 days constitutes acceptance of the change, Ref. JEDEC-J-STD-048. To request further data or inquire about this notification, please contact either your Acconeer sales or customer support representative.

If you have questions about this EOL, please contact either your Acconeer sales or customer support representative.

Sincerely,

Lars Lindell
CEO
Acconeer AB
