

Product Change Notice

This notice is intended to inform customers when a Price List product has undergone design changes or been removed from SV Microwave's Price List. Design changes that are deemed relevant to form, fit or function will be identified.

Product Identification:	PN	Replacement PN <i>(if applicable)</i>	Description
	500-38-014	N/A	V67.3 SMPS BULLET REMOVAL TOOL
Reason for Change:	To increase shaft travel during collet retraction to improve holding power to SMPS bullet.		
Identification Method to Distinguish Change:	Redesigned tools have the ability for collet to fully close, where tines touch one another.		
First Available Order Date:	04/12/2024
