To our valued customer:

## **Product announcement: ID ANT.U150/150 replaces ID ISC.ANT.U170/170**

FEIG ELECTRONIC GmbH is happy to announce the availability of a new UHF Mid-Range Antenna: ID ANT.U150/150.

The new antenna will replace the Feig UHF Antenna ID ISC.ANT.U170/170.

The new antenna ID ANT.U150/150 is smaller in size, has a higher IP rating, comes with same antenna connector and similar performance. See the attached data sheet.

This change will take effect immediately and the ID ISC.ANT.U170/170 (old antenna) is available only while our current stock is available. Please reach out if you have any concerns at all.

Below is the ordering information for the new ID ANT.U150/150 .
