Description of Change:

Due to external influences, Würth Elektronik will change the bobbin plastic material. PMC-T375J is being obsoleted by the supplier.

There will be no change in form, fit, quality or reliability of the product.

The new revision of the affected order codes will be sent out after the previous revision is out of stock (according to FIFO - first-in, first-out).

Details of Change:

Bobbin material will change.
