Description of Change:

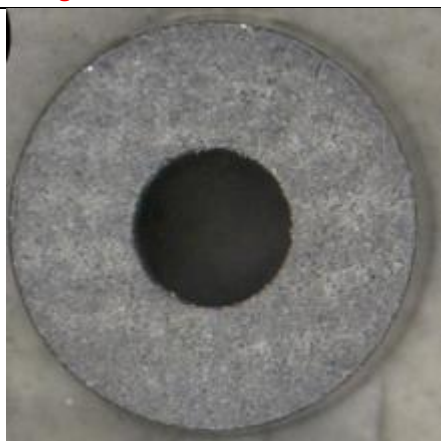

To meet current customer demands, Würth Elektronik eiSos will change the product border type. A chamfered edge has been added to avoid small cracks on the borders and to improve appearance. The detail of the change can be found on the table below with before and after pictures.

There will be no change in fit, function, quality or reliability of the product.

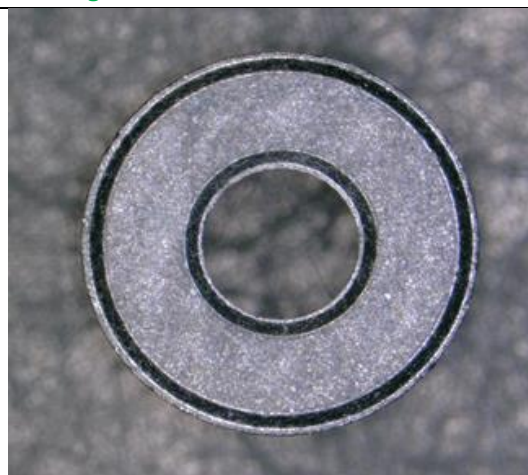

The new revision of the affected order codes will be sent out after the previous revision is out of stock (according to FIFO - first-in, first-out).
