Discontinuance of Select Devices
Product Discontinuance Notification

Date: July 01, 2024

To: Digi- Key PCN

Dear Recipient:

You have been identified for notification of changes for one or more of the devices affected by the change detailed in this notice. You are being notified either because (1) of your recent purchase history of the affected devices or (2) you are listed as being part of GIDEP (Government-Industry Data Exchange Program).

The purpose of this Revision A is to communicate a change in the end of life (EOL) status of select devices. To best support production needs for the duration of customers' existing project lifecycles, **select devices in this notice will remain orderable, and will no longer have a last-time buy date.** Here is what this means for you:

- You may continue to purchase these devices through your usual ordering process.
- There is no longer a last-time buy date for these devices. If you have already placed a last-time buy order, you may continue purchasing devices through your usual process beyond the previously stated last-time buy date.
- If you have any questions regarding existing backlog, please contact your local TI sales representative.
- The status for other parts in this PDN (those not marked with a ~~strickethrough~~ in the Product Affected section) remains unchanged.

We know that semiconductor product longevity and supply continuity are important to you. We hope this update reiterates how important they are to us as well, and our ongoing efforts to meet customer needs. We are proud to serve as your reliable supplier, with inventory and manufacturing strategies that allow us to support your success for decades to come. For questions regarding this notice, contact your local Field Sales Representative or the Change Management team.

Sincerely,

Change Management Team
SC Business Services

Details of this Product Discontinuance follow on the next page(s).

PDN Number:	20231017000.3A		PDN Date:	July 01, 2024
Title:	Discontinuance of Select Devices			
Customer Contact:	Change Management team		Dept:	Quality Services
Last date to order:	Oct 17, 2024	Last date to ship:	April 17, 2025	
Change Type:	Product Discontinuance - End Of Life			
Product Discontinuance Notification Details				
Description of Discontinuance:				
<p>Texas Instruments Incorporated (TI) is updating the status of select devices which were previously planned for end-of-life (EOL). Applicable devices are identified with a highlighted, strikethrough in the Product Affected section below. To best support production needs for the duration of customers' existing project lifecycles, these devices will remain orderable, and will no longer have a last-time buy date. You may continue to purchase these devices through your usual ordering process.</p> <p>There is no change to the original Last date to order or Last date to ship for the remaining devices as noted above.</p> <p>Texas Instruments Incorporated (TI) is announcing the discontinuance of select devices. Part Numbers are listed in the Product Affected table below. A last time buy is being offered per the date shown above. Recommended replacements are being offered as shown in the Product Affected table.</p> <p>NOTE: There are no samples offered for withdrawn/obsolete products. For samples of any of the replacement products, please contact your local sales representative.</p>				
Reason for Withdrawal/Discontinuance:				
<p>To best support production needs for the duration of customers' existing project lifecycles, select devices will remain orderable, and will no longer have a last-time buy date.</p> <p>Original Reason for Withdrawal/Discontinuance: This PDN is related to TI's multiyear transition plan for our factories with 150-millimeter and 200-millimeter production. These changes are part of our multiyear plan to transition certain products to newer, more efficient manufacturing processes and technologies.</p>
