**End of Production Notice:
Compact AC Gear Motors, Drives, and Accessories**

Dear Valued Channel Partner,

This letter is to notify you that, effective immediately, all Compact AC Gear Motors, Drives, and Accessories will be discontinued. Please know stopping production was not an easy decision, albeit necessary, due to extensive component shortages, discontinuations, and prolonged lead times.

1. Applicable products and part numbers:

- Compact Gear Motor (Standard models and Custom Models) (Gearheads and options)
- Cables and Accessories
 - i. All parts will be obsolete except those parts that are commonly used with other series.

2. Reason:

- Core component shortages and discontinuations

3. Last order and end of production.

- Last order date of acceptance: **June 2023**
- Last delivery date: **December 2023**

4. After service

- Final date for all service inquiries is December 2030.
 - i. This is depending on the availability of stock of service components which may result in an earlier close of support date.

We sincerely apologize for the inconvenience caused by this notice and thank you for your understanding.

Sincerely,
Panasonic Industrial Automation Device Division

DISCONTINUATION NOTICE
