

End of Life Notice

DATE: 21st August 2024

To Our Valued Customers:

Ezurio is officially announcing the End of Life (EOL) for the Sterling EWB Wi-Fi module family, which includes the part numbers listed below. Despite our goal of maintaining long product lifetimes, we sometimes must EOL a product due to our inability to manufacture it because of third-party components. Contact Ezurio to discuss any potential replacement modules.

Ezurio is pleased to offer a Last Time Buy (LTB) opportunity to customers. The LTB purchase orders must be received by **September 30th, 2024**.

LTB purchase orders are non-cancellable, non-returnable (NCNR) and all units must be shipped from Ezurio by **December 31st, 2024**.
