Overview

Change Description:

We are updating the delivery unit quantities. This change will help streamline, standardize and globalize the MLQ and DU processes. This corrective action also ensures consistency

Product Impact:

No changes will be made to finished goods.

There will be no impact to fit, form or function of the product itself.

Packaging Impact:

Delivery unit Change: The delivery unit for the affected parts will be updated to align with our standardization process.

Packaging Box Quantity Change: No change

Special Note: This is merely a system adjustment to align quantities with site sales and global delivery units. It doesn't involve any physical changes to the box or quantity, and no drop test or qualification will be provided.
