

## Nature of Change: EOL / Replacement Notification

Date of Notice: 8.30.2024

### Affected Models:

Part Number(s):	JM-1100-2
-----------------	-----------

This notice is to inform you that the listed part number is no longer available for order.

The last day to request an RGM will be September 30th, 2024.

The suggested replacement, listed below, would be a great alternative for this discontinued part number.

Suggested Replacement	Differences
<a href="#">JM-0800-2</a>	Non-TAA compliant, Smaller footprint, Higher DPI

For additional product information, please contact Cherry directly or refer to our website (<https://cherryamericas.com>).

Orders are subject to product availability and in compliance with Cherry Americas terms and conditions.

We understand that product transitions are difficult for customers and sincerely appreciate your assistance with this notification.

Please reach out to Terri Struthers, Distributor Account Representative, for any support you need to complete this transition.
