

Date: September 16, 2024

To: Bussmann™ series arc flash safety product customers

Subject: End-of-life notification of arc flash personal protective equipment, rubber electrical gloves, and insulated tools

Dear valued customer:

Eaton will be discontinuing the Bussmann™ series line of arc flash safety products, inclusive of arc flash suits, kits and accessories, rubber electrical gloves and glove kits, and insulated toolkits. Last buy orders of all materials will be accepted through November 1, 2024. After November 1 orders will only be accepted for in-stock products through December 16, 2024. Please be aware that any items ordered that are not currently in-stock may not carry the Eaton Bussmann series branding.

The table below contains the specific discontinued catalog numbers. There is no suggested replacement for these parts.

Bussmann series material number	Bussmann series UPC	Description
