

Date: July 24, 2024

To: Bussmann™ series lockout tagout product customers

Subject: End-of-life notification of lockout tagout products

Dear valued customer:

Effective immediately, the Bussmann™ series line of lockout tagout products, inclusive of safety padlocks, lockout tagout devices, tags, and group lockout boxes will be discontinued. The table below contains the specific discontinued catalog numbers. These products are obsolete, with no suggested replacement for these parts.
