

Announcement

No. 23-SM068

18 March 2024

Schedule change of product discontinuation: FS1A series safety controllers

Dear All,

We would like to inform you that we will change the schedule of discontinuation of our FS1A series safety controllers as announced in the Announcement No. 23-SM024 issued on 2 August, 2023. Details are as follows:

1. Products to be discontinued

FS1A series safety controllers: All products

Notes:

- Products to be discontinued are the same as we have informed in Announcement No. 23-SM024. For details, please refer to the item list.
- Special products are also included.

2. Schedule

	Announcement No. 23-SM024	New	Recommended replacements
Last order date (*1)	29 March 2024	31 October 2024	FS1B series safety controller (new products to be launched in September 2024)
Last delivery date (*1)	28 June 2024	31 January 2025	

(*1): Or sooner depending on our stock situation.

Yours sincerely,
