

End of Life Notice

DATE: 1st November 2024

To Our Valued Customers:

Ezurio is officially announcing the End of Life (EOL) for the **BT900 Series**, which includes the part numbers listed below. Despite our goal of maintaining long product lifetimes, we sometimes must EOL a product due to our inability to manufacture it because of third-party components. The table below shows the new **Vela IF820** product family as a potential replacement option and please contact the Ezurio team to discuss.

Ezurio is pleased to offer a last time buy (LTB) and any LTB purchase orders must be received by **May 1st, 2025**.

LTB purchase orders are non-cancellable, non-returnable (NCNR) and all units must be shipped by **November 28th, 2025**.

Products Affected:
