

Issue date: 14 Nov 2024

Effective date: 14 Nov 2024

Product Marking Change for 650V IGBT

Notification information

Nexperia is going to change the marking code of NGW40T65M3DFP, NGW50T65H3DFP and NGW75T65H3DF by adding character 'W' to the 1st line marking to help user better understand the package type.

Why do we issue this notification?

This change will impact the marking format of the device and may cause confusion to our customers if no notification has been issued before the change.

Change Category

[X] Product Marking

Details of this change

Identification of affected products

Top Side Marking
