Overview

▪ Obsolescence Notification:

This notice is to inform you of the obsolescence of the part(s) referenced herein. The listed parts have experienced relatively low demand, resulting in low utilization of our assembly line. Furthermore, these products have reached the end of their lifecycle. We are decommissioning the assembly line to make way for new-generation products.

▪ Product Impact:

The affected parts will be rendered obsolete. For inquiries regarding potential replacement parts, please contact your Molex Sales Engineer.

▪ Part Number Impact:

Please refer to the attached customer part number list for details.

Changes will be implemented once the Product Change Notification (PCN) is signed off.

"After the last time ship date, Molex will no longer manufacture the products included within this notification and all related tooling will be decommissioned.

For assets that are customer owned, the owner has 90 days after the last time ship date to claim the tooling."
