TE Connectivity

Product Change Notification: P-24-027316

PCN Date: 10-DEC-24

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:

INTERCONTEC products portfolio

Description of Changes

Components post-processing location change. Following listed Part Numbers post-processing activities will be transferred from present source/s to TE CONNECTIVITY manufacturing plants in Bydgoszcz, Poland or other qualified vendors.

Reason for Changes:

Dear Customer, As a result of our unwavering pursuit of process excellence, we are pleased to announce the qualification of additional sources for component post-processing to optimize our supply chain. This process is carried out in strict accordance with a transfer procedure to avoid negative impact on quality, supply capacity, or form, fit, and function of the relevant products. The new manufacturing locations will be under a certified quality management system in compliance with the standard industry requirements. Before any parts will be delivered, an internal release based on our specifications will be executed, to ensure the compliance with the relevant specifications. If you have any queries, contact your designated contact at TE within 14 business days after receipt of this PCN.
