

May 22, 2018

For Immediate Release

CHERRY® Americas is announcing the temporary suspension of its MPOS Industrial / Point of Sale keyboards due to a component allocation issue. This situation has caused a temporary out of stock condition for the following part numbers:

G86-52400EUADAA

G86-51400EUADAA

G86-51410EUADAA

We are working diligently to rectify this situation and expect to provide a resolution soon. We offer our sincere apologies for the interruption of this product.

In the meantime, CHERRY offers these suggested replacements for your Industrial & Point of Sale applications:

ML4100

- Compact keyboard with long life keys
- Available with silicone splash proof cover
- Part #: G84-4100LCAUS-2
- <http://cherryamericas.com/product/g84-4100-miniature-keyboard-2/>

EZClean KC1000

- Covered, flat wipeable surface
- Part #: EZN-0800EU-2
- <http://cherryamericas.com/product/ezclean-kc-1000-2/>

Stream XT 3.0

- Spill resistant with laser etched keys
- Part #: G85-23200EU-2
- <http://cherryamericas.com/product/g85-23200eu-2-stream/>

Please contact your CHERRY Sales Representative for further information.
