

SiliconMotion

SM722G(E)F8 AB EOL Notice

Date: May 21, 2018

The SM722G(E)F8 AB device is reaching end-of-life. Silicon Motion will discontinue production for SM722G(E)F8 AB parts which requires our announcing last time buy (LTB) and last time ship (LTS) for the current device.

Last Time Buy Orders: Received by Silicon Motion no later than Nov 30, 2018.

Last Time Shipment: Shipped to customer no later than May 31, 2019.

As for replacement parts, SM718 is available which support PCI interface, and SM750/SM768 support PCI-Express and/or USB 3.0 interfaces.

Please refer to the part number in the table listed below for identifying the EOL device.

	DEVICE NUMBER	PART NUMBER
ORIGINAL – EOL device	SM722GF8 AB	SM722GX08LF03-AB
	SM722GEF8 AB	SM722GE08LF03-AB

Silicon Motion makes every effort to ensure support for our customers through the product end-of-life.

Please contact your Silicon Motion representative if you have any questions.

Regards,

Arthur Lee
Director, Product Line Marketing
